ELECT MERRIAM DRIVE OPENS

County Committee Swings Into Final Campaign; Governor Hits Olson's "Misrepresentations"

With Election Day only five days away, the county Republican Central Committee, led by H. P. Brown, today mapped plans for a county-wide drive in support of the candidacy of Governor Frank F. Merriam for re-election.

"To inform all of the voters of the county of the urgent need for re-electing Governor Merriam and naming Dr. Walter Scott Franklin as Lieutenant Governor, we are going to make a house-to-house canvass of Placerville," Mr. Brown announced.

"In addition, more than 4,000 personal letters will be mailed to voters in the rural county urging them to support the principals of good government for which Governor Merriam has become a symbol during his administration."

Full-page advertisements in the county's newspapers are also part of the committee's program in behalf of Governor Merriam and Dr. Walter Scott Franklin.

MERRIAM HITS BACK

SACRAMENTO, (UP)—Federal relief administrator Harry Hopkins today joined President Roosevelt and democratic chairman James Farley with endorsement of California's democratic ticket in next Tuesday's election.

Gov. Frank F. Merriam, seeking re-election on the republican platform, somewhat counteracted Hopkins in a major address attacking the "misrepresentations and downright untruths" of his opponent, Culbert L. Olson.

Merriam's southern California campaign speeded up as he urged "confidence in government as the foundation stone of stability, progress and prosperity." The Governor offered his record as the major reason for his re-election and said public officials "should be chosen by other means than mendacity, political trickery and political hypocrisy."

Philip Bancroft, republican candidate for senator, was back in the bay area today for a quick tour of Solano, Napa, Sonoma and Marin counties before returning to the south for three days of cleanup work before the election. High point of his day's schedule will be the answering tonight of Farley's entrance into state politics.

Former Editor Dies In Dive

Watson Plunges 11 Floors From Window Of New York Hotel; Leaves Note

NEW YORK, (UP)—Victor Watson, former editor of Hearst newspapers in New York and Chicago, jumped or fell to his death today from a window on the 11th floor of the Hotel Abbey in midtown.

A letter addressed to his mother was found in his pockets.

Attaches of the hotel said Watson registered under the name of Jones this morning and was found dead on a third floor setback soon afterward. His mother was reported prostrated. Watson had been associated with the Hearst enterprises for many years. He held executive positions here on the Evening Journal, the Daily Mirror and the American.

KELSEY WOMAN ASKS HER FRIENDS TO "SKIP" NAME ON BALLOT

We've all heard, on some rare occasions, about the "office seeking man" in an election, but here's a case of the "office seeking woman," and she doesn't want the job.

Some way, the name of Mrs. Eva Bliss got onto the ballot in Kelsey township, as a candidate for the office of constable, and to the voters of the township, the "candidate" says:

"I hereby wish to make my statement that I am not seeking the office of Constable of Kelsey township. Owing to some error, my name appears on the ballot. Under no conditions will I qualify for said office if elected."

Richard M. Walters, who for several weeks has been a patient at Placerville Sanatorium, is reported as somewhat improved.

"SPOOKS" HELD A CONVENTION in Placerville last Monday night when more than one hundred of them participated in a "Spook Parade," arranged by Placerville Lions, and then met at the bell tower for the judging of costumes and for an apple "bobbing" contest. The larger photo shows some of the ghosts and other Halloween characters and the inset is a close-up of one phase of the "bobbing" contest. Notice the help that Lion President Dillingier, and also the young man at the right, are giving the contestant as he "bobs" the apple.—Democrat photos.

1939 COUNTY FAIR DATES WILL BE FOURTH WEEKEND IN AUGUST

The County Fair for 1939 will be held August 25, 26 and 27, the fourth weekend of the month.

Dates were set Wednesday evening at a meeting of the directors of the fair association at which an effort was made to arrive at a date which might reasonably be expected to be free from storm.

Another consideration in fixing the date was the desire to co-operate with the "home coming" plans for the county, in connection with the Centennial Celebration at Sacramento.

"Homecoming week" for El Dorado County will be the third week of August, but the directors were unable to schedule the fair for that weekend because the date has all ready been taken by the San Joaquin County Fair. Therefore, the fourth weekend was chosen in the hope that the "Homecoming Week" may be arranged to include the County Fair weekend.

A certificate recorded at the courthouse Wednesday afternoon reports the death at El Dorado on November 1 of Augustine J. Pierano, 62, a native of California and for many years employed as a steel worker at Pittsburg, this state.

NORTH SIDE COUPLE ARE WED AT RENO, RESIDE NEAR COOL

Following their marriage last week at Reno, Mr. and Mrs. Leland Esper, Jr., have taken up housekeeping in a cozy cottage on the Ronsheimer place, near Cool.

Mrs. Esper is the former Fern Nance, daughter of Mr. and Mrs. R. W. Nance, of Pilot Hill, and her husband is the son of Mr. and Mrs. Leland Esper and is employed at the Sliger mine.

We join their many friends in congratulations and all good wishes.

STORM HALTS MORTIMER HUNT; FOOT OF SNOW ON SUMMIT

The storm of the past weekend left ten inches of snow in Lake Valley and about a foot of snow on the Echo summit and called a halt temporarily to the search for James Mortimer, deer hunter, lost October 2 while hunting in the Cat Creek district.

Reports Thursday morning said there was about one inch of snow at Granlees, in the Silver Creek country. Earlier in the week Caldor was reported to have had six inches of snow.

The highway to Lake Valley, over Echo summit, was open to travel.

PRESS FREEDOM STRESSED

Manager Of Newspaper Unit Speaker At Marysville Rotary Club Meeting

WARYVILLE, (UP)—Importance to the American people of freedom of the press was stressed last night by John Long, manager of the California Newspaper Publishers Association in a talk before the Marysville Rotary club.

"If the time ever came when the press could not bring us the truth about public issues and conditions, our freedom would be lost," Long said. He expressed concern regarding certain current trends which he held menaced a free press.

Long stressed the importance to the American public of the fact that newspapers are free to express themselves as they wish.

He said that the United States, England and France were the only nations still having an uncontrolled press. He cited the methods in which the public in Germany and other dictator-ruled countries and what it would mean if such a censorship ever was applied here.

"It would not mean any loss to the newspapers as foreign newspapers are subsidized and well taken care of," Long said, "but in return they would have to print what they were told and nothing that they were not told to print."

DEATH CALLS FATHER OF PLACERVILLE WOMAN AT OAKLAND

J. W. Binghamon, Oakland attorney and father of Mrs. William Berry, of Placerville, died suddenly at the bay city on Wednesday.

Mr. Binghamon was owner of large holdings at Lake Valley and was well known there and at Camino.

The funeral services are planned to be held Friday morning at Oakland. Mr. Binghamon is survived by his wife and by a son, Jean K. Binghamon, Oakland attorney, three other daughters, Mrs. Gilbert Parry, of Watsonville; Maryly, a student at the College of Pacific; and Doris, in addition to a younger son, Joseph K. Binghamon, Jr.

The condition of James A. Irving, who has been a patient at Sutter Hospital, Sacramento, the past two weeks following an operation, has reached that stage of convalescence where Mr. Irving expects to be able to return home early next week, it was reported Thursday morning at the office of Dr. D. W. Babcock.

Scout Chairman Dr. L. B. Rantz, and John H. Palmer, who will head the county Scout finance campaign, were at Sacramento Wednesday evening attending a meeting of the Golden Empire Council executive board.

NEW DEAL ISSUE IN CAMPAIGNS

Pension Question Uppermost In California, Washington Writer Declares

By LYLE C. WILSON
United Press Staff Correspondent

WASHINGTON, (UP)—New Deal issues of pension plans dominate the most spectacular state campaigns today in the final burst of general election activity.

In such states as Ohio, New York, Michigan and Pennsylvania the New Deal issue is on top and voting Nov. 8 will be a referendum on off-year Roosevelt administration popularity.

California leads the so-called "funny money" parade with a new appeal to the oldsters who are rallying to it as they did for the earlier \$200-month Townsend plan.

The New Deal as well as pensions is a factor in California and labor prisoner Thomas J. Mooney is campaigning for Olson because he says Olson would pardon him. California's house of representatives delegation now is divided as follows: democratic, 15; republican, 4; vacant, 1. No major republican house gain is forecast by preliminary polls.

Mrs. Ethel Tidd Leaves Hospital Thursday

The many friends of Mrs. Ethel Lawyer Tidd, who for several weeks has been a patient at the Sanatorium, will be glad to know that her condition, slowly improving, has reached a point that permits her to leave the hospital.

She was removed from the hospital Thursday to the home of Mr. and Mrs. C. C. Tidd, in the Springdale section, and expects to return to her own home near Lotus in another week.

HIT-RUN DEATH INQUEST THURSDAY NIGHT AT COURTHOUSE

Formal inquest into the death of Mrs. Cruzetta Dolores Petersen, 48, victim of a hit and run driver while walking on the highway near Clarksburg early on Thursday morning of last week, will be held tonight (Thursday) at the courthouse.

The body was sent to San Francisco Sunday in the care of Memory Chapel and funeral services were held there on Monday. Mrs. Petersen is survived by her husband, Arthur Petersen, a daughter, Madeline, and one brother and two sisters.

The investigation of the death, one of the most ghastly in county traffic history in many years, has been carried on during the week by the California Highway Patrol and by Sheriff George M. Smith.

Officials have learned that Mrs. Petersen was seen walking along or standing in the highway by various late travelers over the road between Sacramento and Placerville on the night before she was killed, and some have reported that it was only by exercising care that they were able to get around her without striking her.

Although soon after the finding of her body a suspicion of possible foul play arose in connection with the case, it appeared as the investigation progressed that reasonable grounds for suspecting foul play were lacking.

The investigation is being continued in an effort to apprehend the driver who killed the woman and failed to stop and render aid.

Edna Clark announced this week that she will reopen the Home Beauty parlor, located on Lower Main street. The place of business has been closed for the past several months.

WEATHER

Partly cloudy tonight and Friday; little change in temperature.

Shell Strikes U. S. Embassy

Madrid Headquarters Hit By Nationalist Bombardment; Staff Previously Moved

MADRID, (UP)—A six-inch national-shell tore a three-foot hole in the American embassy building last night, wrecking the bedroom normally occupied by the American ambassador and destroying valuable pictures and furniture.

A guard at the street door of the building was wounded in the head by shrapnel.

The American embassy building has been abandoned for many months by the ambassador, Claud G. Bowers, who maintains his headquarters at Hendaye on the French frontier. Other American diplomatic representatives make their headquarters at Barcelona, emergency capital of the loyalist government. The embassy building here is occupied by the caretaker and others.

PARADE OF SPORTS

By HENRY McLEMORE
(United Press Staff Writer)

NEW YORK, (U)—Putting the sports shot here and there:

Jimmy Johnston, whose connection with boxing dates back to the days when Jim Figg was champion and Hector was a pup, rates Joe Louis as the greatest "one minute" fighter who ever lived.

"For the first minute of the first round while he still remembers all he knows and has not been forced to start thinking," Johnston says, "Louis is the finest piece of fighting machinery the ring ever saw. But he can forget faster and get into more trouble trying to think than any heavyweight I ever saw."

My far western operative, who airmails me at least one respectable rumor a week, says that if Southern California gives up Howard Jones at the end of this season, his successor probably will be Lyn Waldorf of Northwestern or Bernie Bierman of Minnesota. . . . and my Philadelphia operative who is as cracked as the Liberty Bell, reports that Pop Warner is just about ready to retire and that Andy Kerr, the hocus-pocus man of Colgate, will take over his job. . . . if this change does take place Andy will leave a whale of a squad, one that figures to be as tough as anything in the east in 1939. . . . the Colgate team that kicked Columbia will only be brushed by graduation.

Why doesn't someone arrange a debate between the coach and the publicity man of a college football team? . . . Such a debate would be a honey what with the coach arguing his team didn't have a thing and the publicity man quoting from his own blubs to prove that the team is overburdened with all-America players. . . . our nomination for the prize football Pilbert of

them all is Frank Craven, star of the Pulitzer prize play "Our Town." . . . Craven's part calls for him to be on the stage almost continually, but even when he is off for no more than two minutes he dashes to his dressing room and listens to the games over the radio. . . .

I wonder what truth there is to the report that Tommy Henrich took early morning secret workouts at first base under the eyes of Joe McCarthy and right now is ready to step in and replace Lou Gehrig? I have heard it said that Tommy is another Hal Chase in the field. . . . I know for sure, however, that Lou Gehrig has no idea of breaking his string of consecutive games and that he was very hurt when a report that DiMaggio was to be traded for Hank Greenberg was spread around. The Brooklyn baseball fans may be daffy, but they remain true to their favorites. . . . when Hack Wilson made his debut as a master of ceremonies in a flatbush beer joint the other night the fans all but tore the doors off getting in to welcome him. . . .

Tony Galento, the bear that walks like a man, has completely recovered from his battle with pneumonia and has returned to training. . . . why wouldn't it be a good idea to lighten the armor now worn by football players? The present day equipment is so heavy and unyielding that in inflicts terrific punishment when its wearer bangs into an opponent. . . . to be struck by it on unprotected areas is tantamount to being blackjacked. . . . I don't blame Don Budge for demanding \$100,000 to turn professional. . . . after all, it takes a lot of money to keep a tennis champion in the style to which he becomes accustomed as an amateur.

Forest Supervisor Edwin F. Smith was a visitor Thursday at Lake Valley.

Miss Virginia Casselman returned on Wednesday from a visit of a week with her parents, Mr. and Mrs. C. J. Casselman, at Richmond.

Announcing the NEW FORD V-8 CARS for 1939

GREATER VALUE for every dollar has been built into the two new Ford V-8 cars for 1939. They further express the forward-looking policy of the Ford Motor Company—traditional Ford dependability and economy plus progressive engineering.

Each car is distinctive in design, yet each has something of the fine streamlining of the Lincoln-Zephyr—recognized style leader for the industry. Interior appointments are in keeping with outward beauty. Every detail is styled for good taste and good service.

Both are big, roomy cars, equipped with hydraulic brakes and powered with the V-8 engine that gives you so much extra smoothness and efficiency. This year, the quiet performance of

The 1939 Fords bring you greater riding ease on every road. New seat construction, flexible transverse springs, and big, hydraulic shock absorbers provide triple-cushioned comfort.

Both 1939 Ford cars are Ford-priced for greater dollar value. Both bring new meaning to the Ford phrase, "The Quality Car in the Low-price Field."

Marshall Grange

Marshall Grange No. 451 met in regular session October 28. The usual business was attended to. Committees were appointed to arrange for a booster night and the eighth birthday of the Grange. Those appointed are Gilbert Cook, chairman, Rashell Mos-cow, Daisy Rolfe, Lillian French, and Maybelle Timm. The meeting will be held sometime in November at a date to be announced later and all Grange members are invited. Our regular meeting nights are the second and fourth Fridays in Garden Valley hall. Grangers are always welcome.

DAISY ROLFE, Lecturer.

In Other Words, Perry Didn't Fetchit

SACRAMENTO, (UP)—Lincoln Perry, the gangling Negro known to movie audiences as Stepin Fetchit, was pro-mised real-life trouble today in a suit filed to collect \$2,728 he owes the state for income taxes. Franchise Tax Com-missioner Charles J. McColgan listed Perry in superior court as delinquent on his 1937 income tax payments.

MRS. J. R. W. WILSON IS BLAIRS P. T. A. PRESIDENT

In spite of witches and goblins hov-ering about, the Blair's district Parent-Teachers held a meeting at the school house on Friday afternoon, October 28. Some of the members who arrived early enjoyed the children's Hallowe'en games and contests and were invited by the teacher, Mrs. Rose Corbell, to act as judges.

Mrs. Corbell had prepared popcorn for those children and served fruit and nuts in a beautiful lacquered wooden bowl which was really an heirloom as it had been her grandmother's but-ter bowl.

Mrs. MacFarland called the meeting to order and introduced two new resi-dents in the district, Mrs. J. E. Find-ley, whose two children, Joan and Ben-ly, are attending Blair's school; and Mrs. Evelyn Ward, a more recent com-er, who has three children of school age.

Committee reports were given and regular business transacted. Committee chairmen are Mrs. Frank Noyes, mem-berhip; Mrs. Charles Hennings, pub-licity; Mrs. Carl Visman, hospitality, and Mrs. E. MacFarland, publicity. The quilt which the members have been making will be quilted under the cap-able direction of Mrs. Lena Vanlye.

Mrs. J. R. W. Wilson was unanim-ously elected to the office of president and Mrs. Joseph E. Findley to the of-fice of vice-president. The next regular meeting will be held November 18 at the school house when the newly elected president will preside. Mrs. Noyes will start her membership campaign at once and the other chairmen are re-ported as being equally enthusiastic about their plans.
